Why Go:

What does our seen-it-all editor say about [Petit St. Vincent Resort](#)? "I keep a list of things I must do before I die. After my stay on P.S.V. I was able to check off eating grilled lobster in a rope hammock hung in the shade of a *palapa* six feet from the sea; splashing in the Caribbean with seven golden Labs (they belong to the expat owners); and summoning service, yes, by hoisting a flag. In the absence of telephones, each of P.S.V.'s guest cottages has a bamboo pole planted near its entrance." Between November 1 and December 17 and then again between January 8 and January 21, P.S.V. is offering nine nights on this paradise for the price of seven.

What You Get:

- 9 nights' accommodations for the price of seven
- 3 meals a day, afternoon tea, and unlimited room service
- All resort activities
