**Honeymooning on a yacht
in the Galápagos**

Follow in the footsteps of Grace Kelly and Prince Rainier of Monaco aboard *M/Y Grace*, the English motor-yacht given to them as a wedding present by Aristotle Onassis. The newly married couple spent their honeymoon aboard this glorious ship, and now you can do the same. Recently refitted and modernised, with every inch of her original regal glamour and comfort restored and enhanced, the vessel sails 18 fortunate guests around the Galápagos, the world's most remarkable archipelago.
