Q. Are reservations necessary?

Yes, please stop by our front office and our team will assist in booking your reservation. In the event of a no show, the full price will be charged to your cottage bill.

Q. When do I pay for the appointment?

The treatment charge will be added to your cottage bill and presented on checkout.

Q. How are the prices structured?

Prices are listed per treatment, per person, unless specified as per couple. All prices are in US\$ subject to 16% government tax and 10% service charge.

Q. When should I arrive at the spa?

Please arrive 15 minutes before your treatment in order to have enough time to relax and change into appropriate clothing. Arriving late will shorten your session as your treatment needs to finish on time to prevent further delays for other guests.

Q. Can I have my treatment in the privacy of my own cottage or villa?

Yes, although it is not possible for every treatment. Please kindly contact us for additional information in each case.

Q. Can I have a treatment if I have a medical condition?

Yes, our spa caters to individuals or if desired, couples.

Q. What should I wear?

We provide disposable underwear and bathrobes for your convenience and comfort while in the spa area. However, please feel free to wear your own underwear during treatment. Please remove and store valuable items, such as jewelry, watches, wallets and cash in your cottage safety box.

Q. Can I wear contact lenses?

Our therapists recommend taking out contact lenses to insure complete comfort during the treatments.

Q. Is there anything else I should consider or be aware of?
